WORK EXPERIENCE

Web Developer

Journey Better Business Group Inc. — On-Site, Makati, PH

May 2025 - Present • Full Time

Digital marketing agency serving international B2B e-commerce clients.

- Lead and mentor 3 junior developers within a 6-person web development team, overseeing task delegation, QA reviews, technical troubleshooting, production deployments, and direct coordination with international clients on implementation and delivery.
- Design, maintain, and troubleshoot API-driven automation workflows integrating CRM, CMS, inventory, payment, and lead-generation systems using n8n, while resolving infrastructure, workflow, and production stability issues.
- Led Zoho CRM/Inventory, FoxyCart, Webflow, HubSpot, Plytix, and Typeform integrations for B2B e-commerce and supplier platforms, optimizing workflow execution from ~30 minutes to under 10 minutes and implementing solutions for complex CMS catalog limitations.
- Diagnosed and resolved webhook-driven server congestion through workflow scheduling optimizations, improving infrastructure stability, automation reliability, order processing, and post-launch production support across multiple client platforms.
- Built and deployed production-ready marketing and e-commerce websites from design mockups,

Full Stack Developer

Anyplans Pty Ltd. — Remote • Queensland, AU

November 2023 - March 2024 • Contractual

- Dating app focused on real-life connections — users plan activities and meet like-minded people.
 - Built a website plugin that expanded the app's reach to over 400 new users across four countries within one month
 - Maintained the application backend and collaborated closely with the cross-functional development team

Web Developer Consultant

Spiralytics, Inc. — Remote • Makati, PH

June 2023 - October 2023 • Contractual

- Improved website design and UX by redesigning web components, optimizing images, and enhancing page layouts
- Boosted website traffic through SEO implementation and streamlined internal sales tools

Web Developer Intern

Spiralytics, Inc. — Remote • Makati, PH

January 2023 - April 2023 • Internship

One of the top digital marketing companies in the Philippines.

- Enhanced clients' web design and UX; increased online visibility through SEO implementation
- Modernized internal sales tools and developed Chatty, an AI-powered chatbot for employee knowledge management
